We never give investment advice but we are for decentralization. In support of this opportunity for a more free society through our **Pay Ten Forward™** program we offer an opportunity to give or receive 10% of most your wholesale orders back in crypto.

## Free Delivery

Another way of trying to help the consumer to hedge against inflation is to deliver your wholesale order to your door free of charge.

Our delivery range is from Mississippi to Virginia and many surrounding states. Please inquire for details.
